Objective: To always grow in my knowledge and skill as a graphic designer while working with a team of individuals who share my dedication to consistently deliver the best possible work.

Pertinent Course Work:

Motion Graphics
Raster and Vector Imaging
Non-Linear Editing
Page Layout and Design
3D Motion Graphics

Software Proficiencies:

Adobe Software Suite:
Photoshop, After Effects, Illustrator,
Premiere Pro, Encore DVD
3D Studio Max / Maya
Microsoft Office

Work Experience:

- **Broadcast Designer:** Elliott Hall of Music Video Productions
May 2002 to present
 - Responsibilities include creating motion graphics, green screen and compositing, DVD authoring, art direction, SD and HD editing, operating cameras, developing production pipelines, and managing workers and workflows
 - Work under tight and demanding deadlines of a live event video schedule and managed multiple projects for a diverse client base
 - Designed and implemented a majority of graphics for Purdue football and basketball to be use in recruitment, promotion and game day. Incorporated pre-visualization, media acquisition, green screen and compositing, animation, effects, editing, and DVD authoring to produce final product
- **Freelance Designer**
June 2003 to present
 - Worked for Rob Schrab on *Scud: The Disposable Assassin* published by Image Comics
 - Developed event graphics for various clients such as the nationally broadcast CMA Music Festival, Wynonna Judd, Vince Gill, Kenny Chesney, and Brad Paisley
 - Conceived and created all motion menus and navigation for the nationally released DVD: *Brad Paisley Live: Mud on the Lens* while following industry guidelines and standards
- **Multimedia Production and Development:** Krannert School of Management
August 2000 to February 2003
 - Digital video editing and composition to video and web; multimedia and web creation and design; assist in running and setup of live video conferences
 - Oversaw projects from inception to creation to implementation through coordinating multiple assets with various personnel

Education:

- **Purdue University:** West Lafayette, Indiana 47907
Bachelor of Science, December 2002
Major: Computer Graphics Technology with a specialization in motion graphics
Additional Focus: Art and Design

Awards/Honors:

- **Awards:** 13 ADDY Awards including Best in Show, 3 Judges Choice Awards, and People's Choice Award. Nine Telly Awards. Eight Aurora Awards. Four Davey Awards.
- **Honors:** 2004 Football graphics featured nationally on ESPN and ESPN College Gameday. Interviewed during nationally televised football game about featured graphics

Volunteer Work:

- **Young Life:** Graphic Designer: 1997 to Present – Create graphics and videos for clubs and fund-raising events.
- **Club Leader:** 1997-1999, 2005-2006
